Assembly

No assembly required. Our delivery crew will install for you and take away the packaging.

How to open a Loaf sofa bed?

Remove all seat and back cushions. Pull upwards on the middle of the metal frame until you can bring the frame towards you. Keep pulling to unfold the bed. It is normal for there to be a small gap between the sofa and the bed frame.

Sturdy timber frame

Every joint is glued and screwed the old-fashioned way

Back cushion composition

100% responsibly sourced duck feather

Seat cushion composition

Responsibly sourced duck feather, foam and fibre from recycled sources

Mattress composition

Made with breathable wool and cotton, plus super-soft polyester, which helps keep its shape and last for longer. Covered with a neutral damask and edged with Egyptian cotton ticking, allowing air to circulate.

Handcrafted legs

100% solid oak
